

# organic whole herbs, for pure thinkers

Did you know that the most effective herbal medicines use the whole herb?

Herbs are naturally made up of many active ingredients which all work together in perfect synergy. The Anu range of encapsulated products contain only pure, active, top-quality ingredients made with **certified organic whole herbs**.

With this **scientifically proven** range of products, which are **ethically harvested** and **organically grown** you can help heal the planet and yourself.

If you are struggling with **PMS, Menopause, circulatory problems, stress & Anxiety, Arthritis, Back pain, Cholesterol, Insomnia** or you just want to keep your body healthy and in tip-top condition, why not visit our website for more in-depth information about individual products.

**ANU ORGANICS** are available from **ALL GOOD HEALTH FOOD SHOPS** or by calling **FOREVER YOUNG** on **08453-70-70-31** (Postage is **FREE**) For more information, please visit: [www.?????](http://www.?????)
